

Pre-notification of change in Legal Entity and company name

Dear valued customer,

As announced on February 25, 2019, Danaher Corporation intends to purchase the GE Healthcare Life Sciences business units consisting of BioProcess, Cell & Gene Therapy and Genomics & Cellular Research, (hereafter referred to as 'Biopharma'). The sale of the GE Healthcare Life Sciences Biopharma business to Danaher is subject to customary closing conditions, including regulatory reviews and appropriate consultation processes, and is expected to close as early as the first quarter of 2020.

We want this transition to be as smooth as possible for you. To allow us to continue serving you, we're notifying you now about upcoming changes that will require you to update your procurement systems.

1. The changes you should take note of:

The Biopharma United Kingdom Legal Entity (currently GE Healthcare UK Limited) will change on the effective date the transaction between GE and Danaher closes, as early as the first quarter of 2020. Please find below the details of the changes in Legal Entity. These Legal Entity changes will require you to update your procurement systems as soon as possible from the effective date. All open orders from the date of the Legal Entity change will be fulfilled in the New Legal Entity with shipping notifications and invoices from the New Legal Entity.

If you have already placed a purchase order under the Current Legal Entity, there is no need to reissue that purchase order, unless your company policy requires it.

We will provide further communication prior to the close date to confirm the effective date of these changes.

Below are our new supplier details – please prepare to update your systems with these once we confirm the effective date:

Current Legal Entity	GE Healthcare UK Limited
New Legal Entity	Global Life Sciences Solutions Operations UK Ltd
New Legal Entity Company Registration Number	12063780
New Legal Entity Registered Address	19 Jessops Riverside 800 Brightside Lane Sheffield S9 2RX

	United Kingdom +44 1932 773820
New Legal Entity VAT ID	GB 333194219
New Legal Entity Bank Details	Account's Branch Name: HSBC Park Street Bank Address: 62-76 Park Street, London Bridge, SE1 9DZ. SWIFT Code: MIDLGB22 GBP : 404170-70002348 GB27MIDL40417070002348 EUR : 400515-84644789 GB33MIDL40051584644789 USD : 400515-84644797 GB11MIDL40051584644797

Once the transaction closes, our company will become known as Cytiva, but the New Legal Entity name above will remain unchanged at this time.

We will share more details about the rebranding in due course and new product labelling will be done in phases. Finished products in our warehouses are rotated on a regular basis using first expired, first out inventory management. During the transition, documents for products and services will be changed gradually. This means that, for a period time, we require you to allow the receipt of goods from both the Current Legal Entity or New Legal Entity.

2. What will not change

Please be assured that we will continue to deliver our products and services to you as usual during this transition period. Our quality management system, processes for change control, change control notifications, manufacturing processes, locations and equipment will remain unchanged. There will be no change in our product part numbers or quality release claims. All terms of Legal agreements will remain in effect until agreement expiry or renewal. We look forward to continuing to deliver our products and services to you as usual during this transition period.

Please reach out to ordersgb@ge.com with any comments or feedback. We look forward to continuing to do business together.

For more information and regular updates visit our transition website: www.gelifesciences.com/4customers.

Yours sincerely,

James Savory

EMEA Commercial Operations Leader

GE Healthcare Lifesciences

Appendix:

Legal Entity change for manufacturing sites: Legal Entity information is often included in labeling and/or other product documentation such as Safety Data Sheets (SDS), Certificates, User documentation, etc. As needed, product documentation will be changed to include the updated Legal Entity information for the relevant manufacturing site of a product. Please note the finished products in our warehouses are rotated on a regular basis using first expired, first out inventory management and will not be re-labeled. It is important to note that, during the transition phase, document for products or services will be changed gradually.

Region	Current Legal Entity	New Legal Entity	Sales Legal Entity (Invoice)	Manufacturing Legal Entity (Product documentation)	Impacts labels and product documentation (Y/N)	<u>Effective from (date)</u> <u>Subject to change</u>
