

Welcome to **GE Healthcare Event**

We would like to kindly remind you the importance of following the protocols regarding to COVID-19 before, during and after the event for your and other's health and safety as events can contribute to the spread of COVID-19 via travelers who attend these conventions.

None of the below advices & recommendations shall supersede local regulation and the most stringent behaviors shall be followed.

General considerations

- Be aware that the GEHC should continually assess, based on current conditions, whether to postpone, cancel, or significantly reduce the number of attendees.
- Be aware that GE limits the number of attendees based on Covid situation.
- If you are a "closed contact" or you feel ill or have any symptoms of COVID-19, reschedule your visit.

Use of public transport

- Whenever possible buy travel tickets online or use contactless payment if possible.
- Avoid peak times and take quieter routes with fewer changes.
- Minimize your luggage.
- When possible, use a less busy route and reduce the number of changes help to keep distance from others.
- Surgical masks should be used when travelling, particularly "where social distancing is hard to maintain"

Use of taxis and private hire vehicles

- At taxi ranks try to keep your distance from people outside your household, where possible.
- Taxi & private hire vehicle operators are likely to have put in place measures including social distancing.
- Consider wearing a surgical or FFP2 masks in an enclosed space where social distancing isn't possible.

Use cars and other vehicles

- Avoid public transport to reduce the risk of Covid.
- Avoid sharing a vehicle with people.
- Limit the time at petrol stations and motorway services.
- Try to keep your distance from other people and if possible.
- Wash your hands for at least 20 seconds or sanitize your hands when arriving and leaving.
- Be aware of the surfaces you or others touch.
- If possible, drive with open windows and turn off air recirculation
- if possible, payment needs to be done by contactless.

GE Healthcare Event

COVID-19 DEFENSE PROTOCOLS AND BEHAVIOR EXPECTATIONS

Site arrival

- Access to the events will be strictly controlled (on invitation only)
- Unauthorized/non-invited visitors will not have access the event
- Avoid physical contact such as shaking hands.
- GEHC will provide alcohol-based hand sanitizer and FFP2 masks. Only FFP2 masks are acceptable. Single layer face coverings such as gaiters/bandanas are NOT PERMITTED.
- 5 minutes safety briefing:
 - Attendees will be reminded to report any symptoms/illnesses or exposure to COVID immediately
 - GEHC will enforce the COVID defense protocols with employees and attendees **and** a passive screening questionnaire will be conducted.
 - GEHC will be taken, temperature on voluntary basis at the main entrance.
 - If fever >37,5 °C, we will ask to leave the event.

Event

- GEHC will
 - adjust venue sizes to accommodate min 4 m² per attendee.
 - ensure frequent cleaning and disinfection particularly of frequently touched surfaces (e.g. the tables, door handles, all surfaces).
 - remind Personal Hygiene to all the visitors during breaks and throughout the show.
 - supply and mandate the use of proper personal protective equipment e.g. FFP2 masks,
 - facilitate the disposal of Waste material produced during the event (cleaning, masks, etc.) to unsorted garbage.
- No group dinners and gatherings will be organized-

Post Event

- Report any symptoms developed within 14 days after the event
- The details of the emergency operations plan should be based on the size and duration of events, demographics of the participants, complexity of event operations, and type of on-site services and activities event may offer.
- For the persons impacted by the tracing, GE Healthcare will contact and advise attendees to monitor their health.

We appreciate your support!

Should you require any further assistance or clarification, please reach out to GEHC team.
